SUMMARY

Creative and detail-oriented Graphic Designer, Digital Marketing Professional, and Content Creator with hands-on experience in graphic design, photo retouching, print production, branding, website development, and social media content creation. Proficient in Adobe Photoshop, Canva, CapCut, WordPress, Wix, and AI-powered creative tools, with a strong ability to produce high-quality visual content for both print and digital platforms. Recognized for delivering creative solutions, managing multiple projects in fast-paced environments, and helping businesses strengthen their brand presence through effective design and digital marketing.

PROJECTS

Urban Ink Studios

Printing and branding business focused on custom apparel, DTF printing, stickers, business cards, and promotional products.

UrbanWorks SA

Business providing handyman services including painting, plumbing, tiling, and home maintenance. Assisted with branding, website design, and marketing materials.

Homelinker

Developed the concept and early website for a township-focused rental platform connecting landlords with tenants.

Faith Brand

Created branding concepts and merchandise ideas for a Christian lifestyle clothing brand.

WORK EXPERIENCE

Freelance Graphic Designer & Digital Marketing

Self-Employed

2022 – Present

- Designed logos, branding, and promotional materials for local businesses.
- Created engaging social media content for Facebook, Instagram, and TikTok.
- Developed websites using WordPress and Wix.
- Assisted businesses in building their online presence.
- Utilized AI tools to improve workflow and content creation.

WORK EXPERIENCE

SkyCity Printing

2024 – 2025

- Designed over 100 marketing materials, including business cards, flyers, banners, posters, and promotional products. Prepared artwork for DTF printing, vinyl cutting, sticker printing, sublimation, and large-format printing.
- Edited and retouched client images using Adobe Photoshop.
- Communicated with customers to understand design requirements and deliver high-quality results.
- Assisted with production processes while maintaining quality standards and meeting deadlines.
- Worked in a fast-paced environment handling multiple client projects simultaneously.

Merchant Marketing Representative

Diginu

2023 – 2024

- Contacted business owners to introduce Diginu's online ordering platform.
- Explained platform benefits and assisted merchants with onboarding.
- Maintained accurate records of customer interactions.
- Built positive relationships with prospective business clients.
- Worked towards daily outreach and engagement targets.
